NOTICE OF RECEIPT OF A PERMIT APPLICATION
FOR A SOLID WASTE DISPOSAL FACILITY

Smelter Service Corporation/Tennessee Aluminum Processors, Inc. have applied to the Tennessee Department of Environment and Conservation (TDEC) Division of Solid Waste Management (DSWM) for a solid waste disposal facility permit to construct and operate a new Class II landfill, IDL 51-0216. The facility is located in Lewis County, on Duchess Lane, approximately 0.6 miles off of State Route 99, south of Hohenwald, Tennessee (latitude 35°31'40" N/longitude 87°33'40" W). The waste materials to be accepted are classified as secondary aluminum smelter waste by-product.

Under State law, the applicant must obtain a permit before constructing or operating the proposed disposal facility. DSWM has received a Part I Permit Application from Smelter Service Corporation/Tennessee Aluminum Processors, Inc. indicating their desire to obtain the required permit.

A complete permit application consists of both a Part I and a Part II, as described in Regulations Governing Solid Waste Processing and Disposal Facilities in Tennessee, Rule 1200-1-7-.02(2)(c). Upon receipt of a complete Part I and Part II application, DSWM will do an in-depth review to determine if the application meets the technical standards of the Regulations described in Rule Chapter 1200-1-7-.04(9), Solid Waste Processing and Disposal. Once the technical review is completed, DSWM will make a tentative decision to either grant or to deny the permit and will issue a public notice of such decision. This second notice will provide the public at least 45 days to submit written comments on the proposed action and to request a public hearing (a public hearing may be announced in this second notice if there is already significant public interest). If there is a significant degree of public interest found following the publication of this second notice, a public hearing will be scheduled, and a public notice issued at least 15 days before the hearing. After considering all comments received, the DSWM Director shall issue a final permit decision and a response to comments.

Further information on this matter may be obtained by contacting the Division of Solid Waste Management at the TDEC Columbia Environmental Field Office, 2484 Park Plus Drive, Columbia, TN 38401, telephone: 931-380-3371; or Mr. Jerry Sweeney, Smelter Service Corporation/Tennessee Aluminum Processors, Inc., P.O. Box 708, Mt. Pleasant, TN 38474, telephone: 931-379-5836.

Persons who wish to be on the Division of Solid Waste Management's mailing list should obtain a Mailing List Request form by calling or writing the Public Participation Officer, Division of Solid Waste Management, Tennessee Department of Environment and Conservation, 5th Floor, L & C Tower, 401 Church Street, Nashville TN 37243-1535, telephone: (615) 532-0798, email: solid.waste@state.tn.us.

The Tennessee Department of Environment and Conservation is committed to principles of equal opportunity, equal access, and affirmative action. Contact the EEO/AA Coordinator at 1-888-867-7455 or the ADA Coordinator at 1-866-253-5827 for further information. Hearing impaired callers may use the Tennessee Relay Service at 1-800-848-0298.
